STAINLESS STEEL
2000 SERIES BEAM CLAMPS

APPLICATION

• Known as “electrician’s style” beam clamps
• Provide a means of attachment to a structural member without having to drill holes
• Attachment holes in back and bottom permit a wide variety of applications
• Manufactured in stainless steel to help prevent corrosion
• Can be installed using ordinary hand tools and require little maintenance or repair
• Provided in a bright, polished finish that does not require touch up or painting
