

STAINLESS STEEL FDA DEVICE BOX

APPLICATION

- Used to wire devices such as switches and receptacles, act as pull boxes, and/or connect conduit
- Offered in "deep" style, in six configurations: FD, FDC, FDA, FDS, FDX, and double-gang FDDX
- Manufactured in stainless steel to help prevent corrosion
- Can be installed using ordinary hand tools and require little maintenance or repair
- Provided in a bright, polished finish that does not require touch up or painting
