PRODUCT BULLETIN

NEW!

2-½" LB & T Conduit Bodies

Gibson Stainless has added the 2-½" size LB and T conduit bodies to the line.

Heavy-duty, cast CF8M (316 SS) stainless steel conduit bodies are designed to make 90° bends, to change the route of conduit, and/or to make wiring pulls and connections. These Form 8 conduit bodies permit simple, easy, installation using ordinary hand tools. A flat back design provides extra wiring capacity.

Each conduit body is 100% Made in USA and supplied complete with cover, gasket, and screws.

In Stock Now and Available for Immediate Shipment.
